

[Cabinet Outlet Depot](#) stocks more than 45 different kinds of cabinets, each in a choice of three styles. All are ready for immediate pickup at cash-and-carry pricing. This document provides a detailed description of the in-stock cabinets for your reference.

All cabinets are available in your choice of three styles: Salem Solid Natural Maple, Manchester Textured White Thermofoil, and Contempra Natural Maple Melamine. Many other styles are available on a custom ordering basis.

Salem
Solid Natural Maple

Manchester
Textured White Thermofoil

Contempra
Natural Maple Melamine

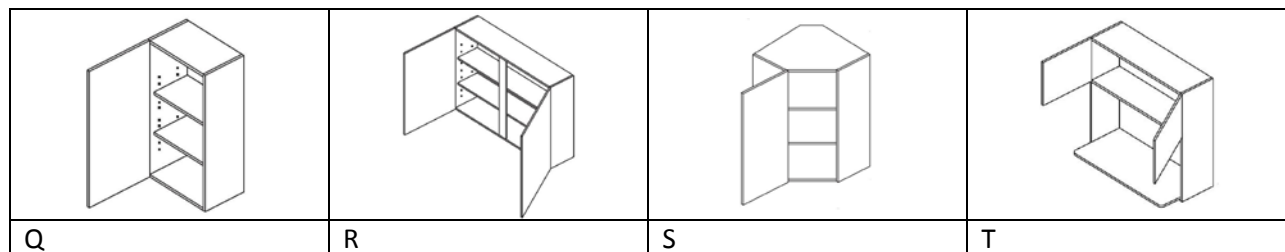

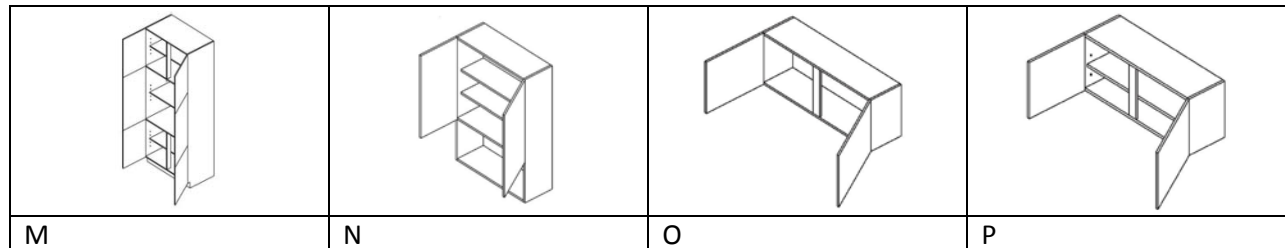

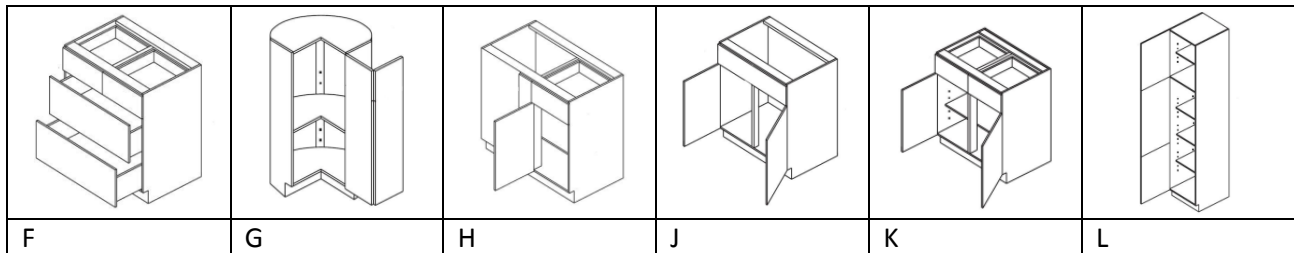

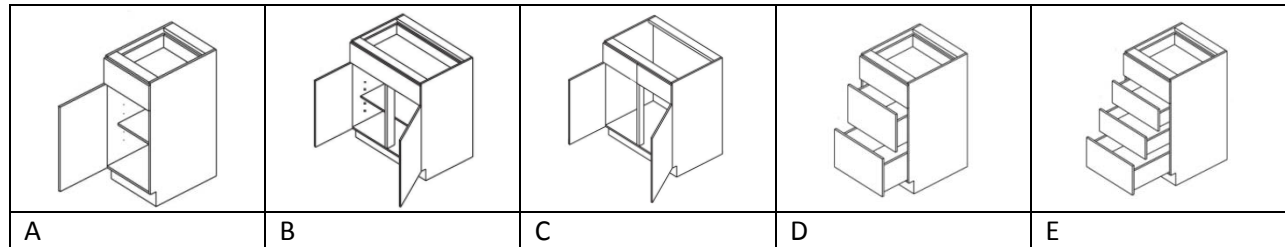

It's hard to choose a cabinet style over the internet. We suggest that you visit our showroom in Mississauga Ontario to see the three styles above in real sample kitchens...so that your final choice is the best choice for your project.

Cabinets are specified with stock number and desired style.

The following diagrams illustrate the [Cabinet Outlet Depot](http://CabinetOutletDepot.com) in-stock cabinets. Other cabinets are available on a custom ordering basis. Cabinets are fully assembled, and are both doweled and glued for the strongest structure. Cabinets are supplied without hardware (knobs, handles, pulls), which are ordered and installed separately.

Cabinets are listed on the following pages in several categories. Each listing has the stock number, a key to the cabinet diagram above, dimensions, and a text description.

Cabinets are specified with stock number and desired style.
